

PLANETS 1ST - FOCALIZING CRYSTALS WITHIN US

Some facets of the psyche represented by planets and questions these parts of us might ask

MOON (emotional nature, feeling, mystery, our “dark”)

Is it safe? Familiar? Knowable enough? Satisfying enough? Mystical enough? Can I trust it enough? Am I ok? Fed enough? Is it sensitive enough? Caring enough? Does it feel like home? Are things taken care of? Will I be taken care of? Do they “get” me?

SUN (outer radiance, sense of purpose, our “light”)

Is there enough energy in it? Is it alive? Can I shine here? Am I seen? Is this me? Warm enough? Bright enough? Radiating enough? Purposeful enough? Will I feel proud? Is there an objective I can achieve? Will I progress on my hero/heroine’s journey?

MERCURY (thinking, rationalizing, connecting, communicating)

Interesting enough? Make sense? Identifiable? Can I track it? Am I getting somewhere with it? Classifiable? Can I work it out – the problem? Can I relate to it? Do I want to know more about it? Clever enough? Witty enough? Smart enough?

VENUS (relating, loving, receiving, beauty, pleasure, sensuality)

Yummy or icky? Attractive? Pretty or ugly? Harmonious enough? Discordant? Fit or out of place? Feel good? Feel comfortable? Peaceful enough? Soft enough? Gentle enough? Easy enough? Receptive enough? Kind enough? Is it fair? Embodied enough?

MARS (authentic desire, assertion, will, energy, becoming)

Do I want it? Sexy enough? Fast enough? Dominant enough? Tough enough? Am I getting my turn? Turn me on enough? Hard enough? Rough enough? Powerful enough? Assertive enough? Is there enough fight in it? Can I do it my way? Can I be instinctual me?

JUPITER (truth, beliefs, expansion, intuition, confidence)

Exciting? True enough? Experiential enough? What’s the big picture? Do I feel lucky? Conceptual enough? Good deal? Farsighted enough? Meaningful enough? Expansive enough? Inspired enough? Is there new territory to explore? Does my intuition say “yes”?

SATURN (responsibility, authority, rules, reality, mastery)

Will it last? Is it safe? Stable? Strong? Reliable? Proven? Under control? Controllable enough? Is it practical? Is it respectable? Is it real? Can I count on it? Is it achievable? Is someone in charge? Can I meet my goals? Do I feel respected? Is my mastery proven/evident?

URANUS (untethered freedom, liberation, originality, progress)

Liberal enough? Interesting? New enough? Unique enough? Is it wildly brilliant? Radical enough? Free enough? Is it conforming? Are there rules or customs I’ll have to follow? “Crazy” enough? Genius enough? Will anything hold me back/down?

NEPTUNE (imagination, dreaming, oneness, inspired creativity)

Glamorous enough? Fantastical enough? Magical? Inclusive and universally true? Inspirational? Dreamy enough? Wild? Conscious altering enough? Imaginative enough? Lost in the stars/sunset/drug enough? Merged with Love enough? Out of this world?

PLUTO (Soul’s desire, power, transformation, deepest emotions)

Do I feel myself and life evolving? Intense enough? Enough drama? Getting to the bottom line? Powerful enough – enough to annihilate? Getting beneath the surface? Exposing the motivation? Dancing with/in darkness? Deep enough? Enough risk of “death”?
